

ease

EaseHR

Powerful tools that sync with benefits to help you manage HR.

EaseHR can help streamline your HR processes. With the same login and employee information from benefits enrollment, you can manage all of your HR processes in one place.

One Login

Employees only need to remember one login and password for onboarding, benefits, & HR.

Leverage Existing Data

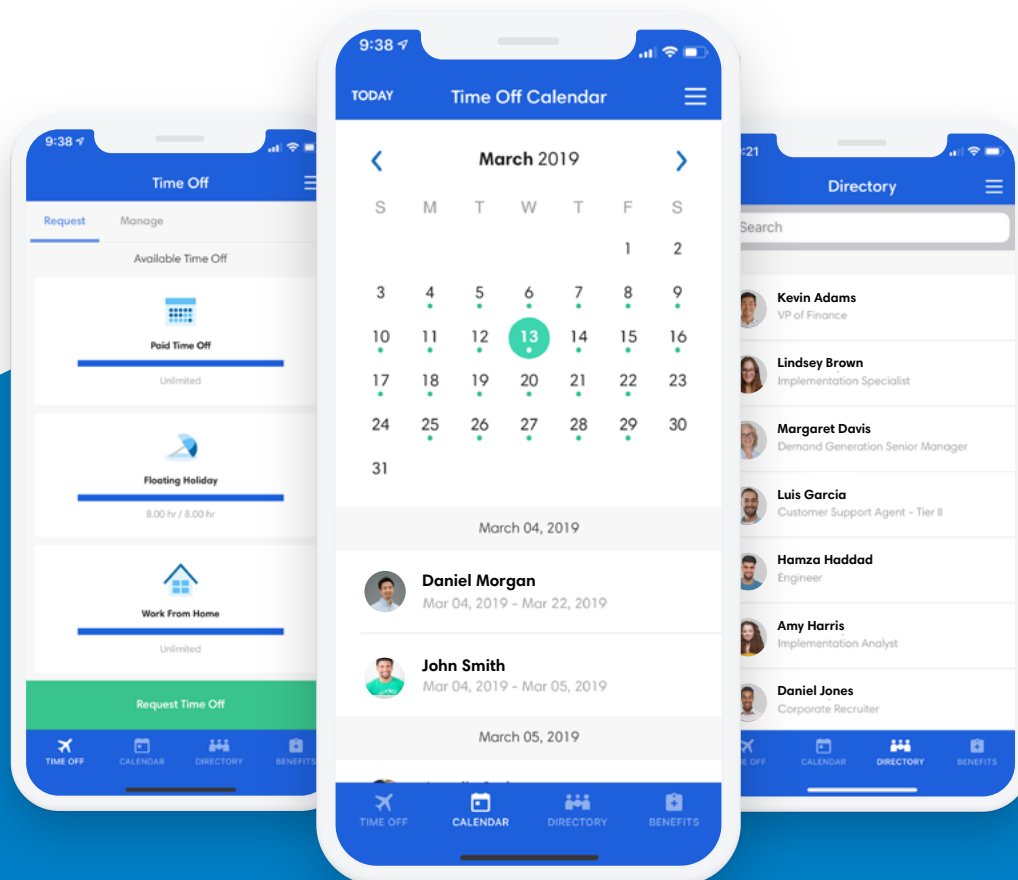

Set up employees in Ease once and their information syncs across the entire system.

Increase Engagement

Keep employees engaged year-round with mobile HR tools and push notifications.

Stay Compliant

Managing HR online makes it easy for you and employees to follow company policies.

Software For People

Manage your growing company with a robust suite of HR tools.

Time-Off Management

Track and manage employee time-off requests from anywhere.

- Set up holidays & manage custom PTO policies
- Review PTO for everyone in the company

Org Chart

Easily search employees and assign managers.

- See employees and their managers
- Assign employees a manager within the org chart

Metrics

Rely on EaseHR data to make company-wide decisions.

- Visualize HR data in one place
- Organize data by organization, distribution, diversity, and growth

Make HR Easier For Your Employees Too

Give your employees mobile HR tools to stay connected.

Company Directory & Employee Events

Easily connect with your coworkers and celebrate exciting events.

- Search for employee contact information by name, location, department, and title
- Track birthdays, anniversaries, and other upcoming events

Push Notifications

Stay on top of your time-off requests with mobile alerts.

- Employees get notified when their time-off requests are approved/declined
- Managers get notified when a request is made, changed or canceled

Time-Off Requests

Keep track of your time off and easily make changes and requests.

- See future time-off balance and hours requested
- Decline/approve employee requests from desktop and mobile
